

CHECK OF OPERATIONS

Presidential Primary Election

MARCH 8, 2016

TRAINING COPY

South Washington Office Cplx

Your Superchair is:

MAIN OFFICE 483-4131

VOTER SERVICES UNIT 483-4133

ELECTION UNIT 483-4485 & 483-4486

It is the responsibility of the **CHAIRPERSON** to supervise the Precinct Inspector Team with the assistance of the **CO-CHAIRPERSON** to ensure that each operation is carefully done.

Please place a check on the line after each operation is completed to confirm all required steps are performed.

This packet includes in the last three pages:

- Chairperson's comments sheet
- Precinct log
- Payroll

This Check of Operations worksheet must be signed by the **CHAIRPERSON** and returned to the City Clerk's Election Unit along with the payroll sheet.

Thank you for your service to the City of Lansing

===== DAY BEFORE THE ELECTION =====

If you are able to access the polling site the day before the election, here are a few recommendations:

- . Set Up Poll Booths, tables and chairs**
- . Put up Signs**
- . Review Supply list in Black Box; make sure you have the supplies you need and where they are located.**
- . Place Equipment in position, but Do NOT turn on or plug in**
(Items in purple font in this Check of Operations could be set up the night prior to the election.)

These items are kept with the Chairperson and cannot be left in the building:

- . E-Poll Book Laptop Bag or any of its contents such as:**
 - . E Poll Book computer**
 - . E Poll Book Operations Manual**
 - . Cell phone**
 - . Thumb drive**
 - . Poll Book Binder**
 - . Emergency Voter List**
 - . Keys to Tabulator and Automark**

Any questions on the night before the election, please call **Brian Jackson's Cell Phone at 517-614-6061 or **Chris Swope's Cell at 517-230-1566****

. ===== BEFORE THE POLLS OPEN =====

BALLOTS

- ☐ Open the Ballot Bag Seal and confirm it is for the correct ward and precinct. The following items are included:

- ☐ Ballots for correct precinct

- ☐ Plastic Holder for Ballot Container Certificate

- ☐ Ballot Container Certificate

- ☐ Plastic Pull-Tight Seal

- ☐ The cut seal from opening the bag remains in the Ballot Container.

GENERAL SET UP

- ☐ Turn on the cell phone located in laptop bag and make sure it is working properly. (Charge phone before Election Day).
- ☐ **If an inspector is a “no show,” first try to contact the worker directly, then contact your Super Chair () if you need assistance setting up. Notify the Clerk’s Office as soon as possible.**
- ☐ Administer the Oath of Office to **ALL** inspectors. **ALL** opening inspectors must sign the following three items:
 - ☐ the Oath of Office on Page 1 of the Poll Book,
 - ☐ Tabulator Zero tape (Long tape) at the beginning of the day
 - ☐ Election Inspector Payroll sheet (located at the back of this packet)
- ☐ Check contents of the black supply box and plastic tub against the supply checklists found in the black box. **Contact Superchair () for any missing items.**
- ☐ Provide laptop and E Poll Book Operations Manual to the E Poll Book Inspector(s). They are located in the laptop bag,.

- ☐ Set up voting booths and tabletop privacy booths, with the open side facing away from the other voters and the precinct inspectors. *Unless your location is unusually dark, it is not necessary to plug in the voting booths' lights.*
- ☐ Make sure you set up at least one tabletop privacy booth for use by voters with disabilities.
- ☐ Pen attached/included in each voting booth.
- ☐ Hang posters and the instruction ballots and post all other necessary signs from the **Posters & Voter Information Materials envelope** (i.e. "Voting Precinct" at the entrance to the building or room, "Vote Here"; directional signs in hallways and corridors). The envelope should now be empty!
- ☐ **Hang US flag** . If a flag is already displayed in front of the building or lobby, this step can be skipped.
- ☐ Ensure that the path from the entrance of the building is accessible for voters with disabilities.
- ☐ Measure and mark 100 ft distance from any entrance that a voter can use. No campaigning can occur closer than 100 ft. **NEW Bright color duct tape is in the black box to mark 100ft line.**
- ☐ Arrange the precinct for processing voters and brief each inspector on his/her job duties.
- ☐ Provide the folder of supplies for each work station.
- ☐ **Presidential Primary Yellow Folder, Please give handout to every inspector**
- ☐ **Prepare for Emergencies like fire or storm.** Find the floor plan, usually by entrance, that shows tornado shelter and fire evacuation routes. Someone may need to check in with building office to find the information. See "Emergency Plan" in the Trouble Shooting Guide for more details.

TABULATOR

- ☐ Verify that the tabulator serial number and tabulator seal number agree with the Clerk's Preparation Certificate inside the front cover of the Poll Book.
- ☐ Inspect all three tabulator bins (auxiliary, write-in, and main) to ensure that all bins are empty. **Remove all secrecy sleeves stored in the largest bin before processing ballots.**
- ☐ Plug in the tabulator power cord using power strip or extension cord if needed; it will begin printing a **Zero Report**.

- ☐ Verify ward & precinct on the Zero Report are correct where it says “City of Lansing Ward A Pct. B.”
- ☐ Check the **Zero Report** to confirm that each candidate and proposal has **zero votes**.
- ☐ Using the **Zero Report**, proof an Official ballot and a Sample Ballot for correct spelling of candidate names. They will not be in the same order. **Do NOT put any ballots into the machine.**
- ☐ If there is a problem with the Tabulator, call your Super Chair () or the City Clerk’s Office 483-4133 immediately.
- ☐ After you have confirmed that the Zero Report (long tape) is correct, all inspectors must sign the bottom of the paper tape (press paper feed until there is a blank area to sign).
- ☐ Do **NOT** tear off the paper tabulator tape. It must remain in the tabulator until the end of the election.
- ☐ Relock cover; this **MUST** remain locked during the time the polls are open. It can be opened only with both a Republican and Democratic Inspector present to fix a jam or other similar issues. The key was provided to the Chairperson in the laptop bag.

AUTOMARK

- ☐ Confirm 5 feet circular access to enable a person in a wheelchair to use the AutoMARK.
- ☐ Verify that the AutoMARK serial number and seal number agree with the “Clerk’s Preparation Certificate” located inside the front cover of the Poll Book.

Verify seal number

Verify AutoMARK Serial Number

- ☐ If your AutoMARK is on a cart, slide AutoMARK shelf out of the cart and tighten screws—Do NOT remove from cart

OR

If your AutoMARK is NOT on a cart, assemble the AutoMARK table, then remove the AutoMARK from its container and place it on the AutoMARK table.

- ☐ Plug in the AutoMARK and open up the AutoMARK screen.
- ☐ BE SURE TO INSTALL THE PRIVACY SCREEN.
- ☐ Turn the key to the “test” position. Key was given to the Chairperson in the laptop bag.
- ☐ After machine finishes booting, press “**Test Ballot Print**” on the touch screen.

- ☐ Find “**Automark TEST Ballot**” located in large manila envelope
- ☐ Insert TEST ballot provided for your precinct.

After the machine completes the test ballot, confirm that all ballot positions are marked and that all names match the ballot for that position.

- ☐ If you are in a “split” precinct, perform this test with each ballot style for your precinct.
- ☐ Place Completed Automark Test Ballots in the **Local Clerk Envelope** .
- ☐ If all precincts at your location have finished their test ballot, press “**Done**” on the touch screen,
- ☐ Take out the AutoMARK secrecy sleeve, the headphones, the AutoMARK Braille instructions, and sanitary wipes
- ☐ Turn the key to “on” position, and remove the key. The AutoMARK must remain in the “on” position. all day!

===== DURING VOTING =====

WARD A - PRECINCT B

GENERAL

- ☐ At 7:00 a.m. the Chairperson must announce out loud that the precinct is open for voting.
- ☐ During meal breaks, have the inspector sign out and sign back in on the payroll sheet (page 29). Meal breaks should be no more than 45 minutes long, and at least one meal break per day.
- ☐ If an inspector who was not present for the Oath of Office administered in the morning joins the team, administer the Oath and sign Page A or Page B of the Poll Book.
- ☐ On an hourly basis or more often

1	Abdirahman, Moham...	00010005
2	Abfalter, John Chris	00010010
3	Ackley, Kathryn Marie	00010011

1. Complete Ballot Balance Check

2. Complete Precinct Log (Page 28)

3. Check ALL voting booths for any campaign material and missing pens

4. Rotate election inspector roles when possible

- ☐ Keep tabulator closed and locked. 2 inspectors of different parties are needed to access the bins or change the tabulator tape.
- ☐ Contact Superchair) for any supplies needed during the day.

Precinct Team Roles

GREETER INSPECTOR (IF YOU HAVE ENOUGH PEOPLE)

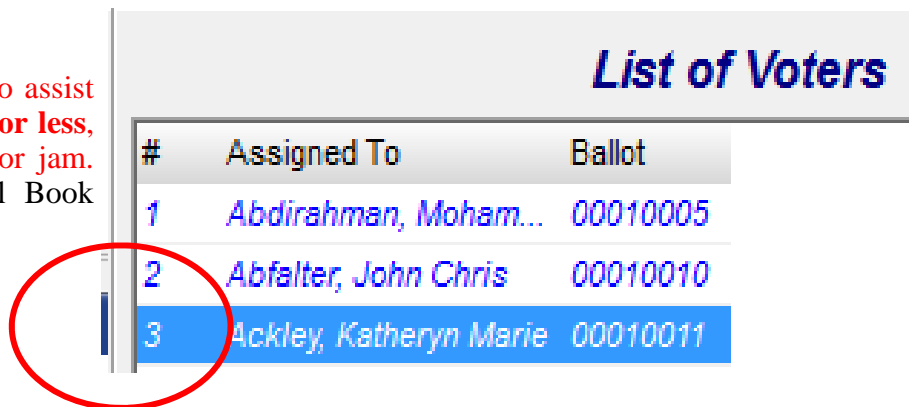

- ☐ Retrieve and review all items in **Greeter Inspector folder, and the Presidential Primary Supplemental Instructions for Inspectors in the yellow folder,** and make sure they have it handy all day.
- ☐ At the entrance to the precinct, briefly greet and welcome each voter
- ☐ Look for people who look “lost,” and ask if they have questions
- ☐ Direct voter to their correct line, location or the chairperson to resolve issue quickly, accessing either the **Emergency Precinct List** found in the laptop bag, Greeter laptop (if available), Street Map or Street Range Guide.
- ☐ Remind Voters to have ID ready, and hand out sample ballots , demonstrate how to vote, etc.

APPLICATION INSPECTOR

- ☐ Retrieve and review all items in **Application Inspector folder and the Presidential Primary Supplemental Instructions for Inspectors in the yellow folder,** and make sure Application Inspector station has it handy all day.
- ☐ Have each voter complete an Application to Vote **in ink, voter must select a ballot type.**
- ☐ Provide voting instructions and show sample ballot. Offer the use of the magnifier sheet.
- ☐ Ask voters to have Photo ID ready to show E POLL BOOK Inspector
 - If voter lacks ID, have voter complete Affidavit on back of Application to Vote (**Keep track of how many voters use affidavit instead of ID. Complete the Precinct Log hourly.**)
- ☐ Direct voters to E Poll Book Inspector when a spot becomes available. Avoid a crowd in front of the E Poll Book Inspector.

E POLL BOOK INSPECTOR

- ☐ Retrieve and review all items in **E POLL BOOK Binder and the Presidential Primary Supplemental Instructions for Inspectors in the yellow folder,** and keep with E Poll Book Inspector station.
- ☐ Verify Voter Identity
- ☐ Check Voting Status
- ☐ Issue Ballot after confirming with Ballot Inspector the ballot number and voter number. Make sure the voter receives the correct ballot type as indicated on the Application to Vote.
- ☐ Record “Remarks” as needed
- ☐ Provide TOTAL # of VOTERS to assist with **Ballot Balance every hour or less, and whenever there is a tabulator jam.** Count is located on the E Poll Book Screen on the bottom right side.

The screenshot shows a screen titled "List of Voters" with a table containing three columns: "#", "Assigned To", and "Ballot". The first three rows are highlighted in blue. A red circle is drawn around the first three rows of the table.

#	Assigned To	Ballot
1	Abdirahman, Moham...	00010005
2	Abfalter, John Chris	00010010
3	Ackley, Katheryn Marie	00010011

BALLOT INSPECTOR

- ☐ Retrieve and review all items in **the Ballot Inspector folder and the Presidential Primary Supplemental Instructions for Inspectors in the yellow folder,** and keep the folder with Ballot Inspector station all day.
- ☐ Make sure unused ballots are kept wrapped in the plastic to avoid jamming.
- ☐ Work with E POLL BOOK Inspector to verify ballot and voter number for every voter. Make sure voters receive the correct ballot type as indicated on the Application to Vote.
- ☐ Record the ballot number and voter number on the application to vote and place it in the plastic pocket on the secrecy sleeve, with the ballot inside the secrecy sleeve.

(Note: If voter will be using AutoMARK, **remove** the numbered stub from the ballot and place it in the plastic pocket).

- ☐ Make sure “Ballot Marking Instructions” are in the pocket of each secrecy sleeve given to voters. You must replace it if it has been marked in any way by a previous voter!
- ☐ Be sure “Ballot Marking Instructions” are in the pocket of each secrecy sleeve!
- ☐ Remind voters how to mark ballot and to vote front and back of ballot (if applicable)
- ☐ When a voting booth is available, hand the ballot in the secrecy sleeve to voter and direct them to tabulator inspector when done voting
- ☐ Ballot Inspector is also the **SPOILED BALLOT COORDINATOR**. When a voter spoils a ballot, the Ballot Inspector will:
 - Accept the Spoiled Ballot and put it in the SPOILED BALLOT ENVELOPE
 - Coordinate with E Poll Book Inspector who will update voter record and issue a new ballot
 - Record on the Application to Vote the new ballot number
 - Communicate with the voter to determine error, and provide magnify sheet, sample ballot, etc to help the voter avoid the error in a courteous and supportive manner.

TABULATOR INSPECTOR

- ☐ Retrieve and review all items in the **Tabulator Inspector folder and the Presidential Primary Supplemental Instructions for Inspectors in the yellow folder,** and keep folder with Tabulator Inspector station all day.
- ☐ After the voter has completed marking their ballot, the tabulator inspector will compare the numbered stub to the application to vote.
- ☐ Remove the numbered stub and the application to vote;
- ☐ **Instruct voter to place ballot in the tabulator.**

Encourage voter to slide ballot like “feeding a dollar” into a pop machine

(Note: If voter has used AutoMARK to mark their ballot, the numbered stub will be in the plastic pocket with the application to vote.)

- ☐ Check “Ballot Marking Instructions” for any marks made by voters. If there are any marks, the instructions must be removed and not used anymore!

- ☐ **Listen and monitor tabulator machine.**

If you hear the “unhappy sound,” ask voter to cover ballot and go to tabulator tape to read error message.

Review error message, and respond accordingly using the script taped to top of the tabulator. Read the script that corresponds to the error message on the tabulator tape to the voter. Notify chairperson if there is any question or issue. See Troubleshooting Guide for more details.

Encourage voter not to leave until the error is fixed, and voter can submit ballot

- ☐ **Place application to vote on the spindle.**

- ☐ **Give voter an “I Voted” sticker**

Notes Page:

Recommendation: Start prepping your team for closing. Assign end of the night closing responsibilities to each Election Inspector. Please remind them that the whole team leaves the precinct together.

===== AFTER THE POLLS CLOSE =====

GENERAL

- ☐ At 8:00 p.m. the Chairperson must announce out loud that the polls are closed. Any person in line at the time of the announcement shall be permitted to vote.
- ☐ Hand out applications to vote, **starting at the back of the voters in line** and working your way toward the front of the line to indicate who was in line at 8:00 p.m.

Follow standard procedure for issuing ballots until every voter with an application to vote is done.

- ☐ Make sure all ballots have been tabulated (including ballots that require duplication).

- ☐ Clear your tables of all materials and put items not needed in the **black** supply box.

- ☐ Take down all signs, flags and voting booths. Please put supplies in the black supply box **neatly** (See picture)

- ☐ Clean up any food or spills and return furniture to original location in original condition or better.
- ☐ **Complete Payroll Sheet and have all inspectors review for accuracy, then sign it.** Payroll Sheet is at the back of this Check of Operations packet.
- ☐ **Secrecy sleeves go into the main tabulator bin after bins are confirmed empty.**

AUTOMARK

- ☐ **Turn the key to the “off” position.**

- ☐ If your AutoMARK is on a cart,

Place the AutoMARK secrecy sleeve, the headphones, the AutoMARK Braille instructions, and any extra sanitary wipes back in the AutoMARK envelope

Close the AutoMARK and strap it down with the Velcro. Slide the tray in and tighten the thumbscrews.

OR

- ☐ If your AutoMARK is NOT on a cart, it has a case.

Disassemble AutoMARK table and place it in it's case.

Place secrecy sleeve, the headphones, the AutoMARK Braille instructions, and any extra sanitary wipes back in the pouches in the case.

- If an invalid write-in vote caused a false over vote or false crossover vote because they selected 2 candidates and one of them was an invalid write-in, you must adjust all affected candidates' votes on all three totals tapes.

4. A separate record is made for each name variation, e.g. Bob Smith, Trustee, 3 votes, Robert Smith, Trustee, 2 votes.

[illegible]

TABULATOR CLOSING

- ☐ Check auxiliary bin of Tabulator and process any remaining ballots.
- ☐ Compare 1) the Tabulator total, 2) the Applications to Vote total, and 3) the E POLL BOOK total; THESE THREE NUMBERS MUST AGREE.
- ☐ Unlock the back compartment of the tabulator.

- ☐ Press the “Print Totals” button. The following message will print: “Print Totals, no more ballots, Press “0” if this is O.K. Press “9” if this is not O.K.

Before you press the zero key, make sure that all ballots have been processed. When you are sure you are done tabulating ballots, press the zero key and a totals tape will print the results of the election.

Press the Paper Feed button a few times. Tear the tape off the machine. **This is called the long tape.**

- ☐ Press the “Print Totals” button again and a **second** totals tape will print. Press the Paper Feed Button a few times. Tear that tape off the machine.
- ☐ Press the “Print Totals” button again and a **third** totals tape will print. Press the Paper Feed button a few times. Tear that tape off the machine.
- ☐ All inspectors present at the close of the polls must **sign all three** of the totals tapes.
- ☐ Unplug the Tabulator.

E POLL BOOK CLOSING PROCEDURES

- ☐ E Poll Book Inspector should complete **E Poll Book Checklist. Page 11 –18**
- ☐ **COMPLETE A FINAL BALANCE CHECK** - the number of votes on the tabulator must match the number of voters in the E Poll Book
- ☐ Before the laptop or tabulator are shut down or any workers dismissed, **REVIEW THE E POLLBOOK BALLOT SUMMARY REPORT** to make sure it is balanced.
